Winner of the 2008 sySTEM Now! Excellence in S.T.E.M. Education Award

“Marquette Celebrates Women in Engineering” 10.14.09 9am-230pm

SCHOOL REGISTRATION FORM

High schools may register up to six female juniors or seniors who meet the following requirements:

- a) cumulative GPA of 3.0 or better; b) completion or concurrent enrollment in algebra- or calculus-based physics;
- b) recommendations of a teacher and school administrator; d) parental permission to attend.

One or two school officials must accompany the students and remain on campus with them. They can be teachers, counselors, or administrators. While the students attend engineering workshops, school officials will participate in workshops that will enhance their understanding of engineering and how to counsel students on engineering careers.

The only cost is a \$50 registration fee per school, to be submitted with this form. Our sponsors and Marquette University will provide the cost of materials, instruction, presenters, and meals. Enrollment is on a first-come, first-served basis and will be limited to 100 students.

School Name: _____ District: _____

Address: _____

Principal: _____ Phone: _____ Email: _____

Signature of Principal, approving this trip: _____ Date: _____

Name(s) of school representatives accompanying students:

1) _____ Position: _____ Phone: _____
